

President's Message

SPRING 2024

2024 is a year worth celebrating. May 4, 2024, is Leominster Credit Union's 70th Anniversary. 70 years ago, a group of 23 Italian American immigrants stepped forward to address the need within our community, to provide small loans at reasonable interest rates. Their motivation and drive grew to the creation of Leominster Credit Union. From these humble beginnings we have grown to the established institution we are today, continuing to live by this vision of "Assisting our members in achieving their financial goals through personalized, competitive solutions to enrich their lives". We are grateful to those who have come before us who have contributed to the growth of our credit union and served those in need.

Thank you, to you, our members, for the trust and belief you have put in us in serving and addressing your needs. We are committed to you!

Look for announcements throughout this coming year regarding events to recognize this memorable occasion.

A handwritten signature in dark ink that reads "Barbara A. Mahoney".
