

## Keep control at your fingertips with CardValet®!

Just like My Mobile Money, CardValet lets you manage card usage through your mobile device by identifying where and how your debit card can be used.

- Get real time notifications when your card is used
- Restrict transactions to a certain area using your phone's GPS
- Set security preferences
- Enable or disable your card to be used at certain merchant categories such as gas or groceries
- Lock and unlock card with a few taps on your phone

- 1. Download the CardValet app**
- 2. Register your card(s)**
- 3. Customize your features**
